STEAM | SAUNA | WELLBEING

BRINGING **WELLBEING** TO LIFE.

MrSteam designs and manufactures innovative products with the driving purpose of promoting health and total wellbeing.
We are a company on a mission to empower people to be healthy, live happy, and feel good. That's why we at MrSteam always say,
"We feel good when you feel good."

RESIDENTIAL

With MrSteam, homeowners can build comprehensive wellness into everyday routines with a simple upgrade to any bathroom shower. MrSteam makes it easy to select from curated, cost-saving packages and customize with Steam Therapies for scent, light, sound, and water; creating a world of sensory delight.

COMMERCIAL

Our CX Systems are ideal for large venues, such as health clubs, resorts and larger spas needing a robust and easy to operate system. Our CT Day Spa is best for smaller spaces, boutique resorts and clubs that operate for six hours or less each day. A steam room is the ultimate experience for spa goers, offering a luxury amenity that offers higher ROI and many happy guest returns.

This comprehensive book will guide you through each product and package tailored to each unique desire and need.

RESIDENTIAL

BRING WELLNESS HOME WITH NATURE'S OLDEST THERAPY

MrSteam has a legacy of innovation designed to help people **feel good and live well**. By promoti relaxation and helping manage stress, it **purifies** emotionally. The benefits of steam therapies are why we stand behind our belief that wellness is not a luxury but a necessity. That's why each and every innovation we create is designed to deliver **comprehensive wellness** to every home. A traditional shower cleans, but a MrSteam steam shower cleanses — **mind, body and spirit.**

INNOVATION 2025!

Enhanced MrSteam Generators feature updated electrical components and new 3/4” steam line offering state of the art performance and a quieter more refined steam experience.

STEAM GENERATORS

The heart of our intelligent steam shower.

LIMITED LIFETIME WARRANTY
Free from defects in materials and craftsmanship for its lifetime. MrSteam will repair or replace (at its option) a generator which fails to conform to this warranty.

AUTOSTEAM
Maintains constant steam by introducing just the right amount of water through a proprietary dispersal chamber AutoSteam.

INSTALL UP TO 60 FT AWAY
Installs in areas such as a cabinet, closet, under a sealed bench or in an insulated attic.

SAFETY FIRST
60 minute automatic cut-off, low voltage board, designed for easy access and safe service.

STEAM IQ
Exclusive micro processor operating system is the brains of our intelligent steam generator.

ONE PLATFORM
All MS Generators work with all MrSteam Controls and with the SteamLinx Mobile App.

PLUG & PLAY STEAM SHOWER ACCESSORIES
Easily install spa therapy accessories or components such as AromaTherapy, ChromaTherapy, SteamLinx, and more.

UNMATCHED QUALITY AND CERTIFIED FOR SAFETY
US and Canadian UL listed, and CE and NOM certified for unsurpassed quality and safety.

SELF-DIAGNOSTICS
LED indicators to help you troubleshoot any connection and maintenance challenges.

WHISPER QUIET
Our water solenoid technology ensures that the generator is whisper-quiet and never hammers or hums.

BUILT WITH SURGICAL STAINLESS STEEL
Naturally corrosion resistant, 100 percent recyclable stainless steel inside and out.

EASY ON THE ENVIRONMENT
Designed to save water and energy. Uses less than two gallons of water vs 40 gallons for an ordinary bath.

SMALL FOOTPRINT
Compact, easy to install, and about the size of a large briefcase. Requires zero clearance, so it can be placed flush against the wall.

INDUSTRIAL HEATING ELEMENT
Reliable, industrial grade, and the industries largest copper heating element heats fast and is easy to remove and service.

Find the perfect generator for your space with SmartSizing.

Start by choosing the control that lets you intuitively blend steam, scent, light and sound to create the customized experience you desire. Your control will manage temperature, time settings and personalized presets selected from an array of upscale designs crafted to match your bath decor preferences. Then, select from our curated spa packages that allow you to awaken a new world of wellness with easy, convenient ordering at a reduced cost.

ONE — MEASURE

Measure length, width and height of the steam enclosure (in feet). **Length x Width x Height = Room Volume** _____

TWO — MATERIALS

Select your construction materials.

For **ceramic** or **porcelain tile** on cement board or mortar bed, no **adjustment.** _____

For **natural stones** — natural marble, stone, shale, glass block or concrete, **multiply room volume by 1.5.** _____

For **acrylic**, multiply room **volume by 0.6.** _____

THREE — ROOM VOLUME

For rooms 8 feet high or less, **no adjustment.** _____

For ceilings higher than 8ft to 9ft **multiply adjusted room volume by 1.15.** _____

For ceilings higher than 9ft to 10ft max **multiply adjusted room volume by 1.3.** _____

Compare your total adjusted room volume to the **specification chart** (on page 11) and select the appropriate model.

Occasionally, a steam room has unforeseeable or hidden construction that warrants special sizing or other consideration. MrSteam is not responsible if unconventional and/or unforeseeable materials or construction details result in a unit that does not operate to specification. Refer to the applicable MrSteam Installation, Operation & Maintenance Manual, available at MrSteam.com, and consult a properly licensed contractor, architect and/or design professional. Failure to do so may result in inoperable or hazardous conditions.

RESIDENTIAL STEAM GENERATORS SPECIFICATION CHART

Product	Model No.	Room Volume (cu. ft.)	kW	Amps 240/1PH	Wire Size AWG	Water Usage Gallons	Shipping Weight
 **Generators** 14.75" x 6.75"	MS90R	0 to 71	5	21	10	0.67	27 lbs.
	MS150R	72-107	6	25	8	0.8	27 lbs.
	MS225R	108-161	7.5	32	8	1	27 lbs.
	MS400R	162-257	9	38	8	1.2	27 lbs.
 **Super Generators** 17" x 18.5" x 7.9"	MSSUPER1R	258-339	10	42	8	1.4	39 lbs.
	MSSUPER2R	340-411	12	50	6	1.6	39 lbs.
	MSSUPER3R	412-482	15	63	4	2	39 lbs.
 **MAX Generators** 27.625" x 20.75" x 7.875"	MX4R	483-678	20	84	3	2.7	67 lbs.
	MX5R	679-822	24	100	1	3.2	67 lbs.
	MX6R	823-964	30	125	2/0	4	67 lbs.

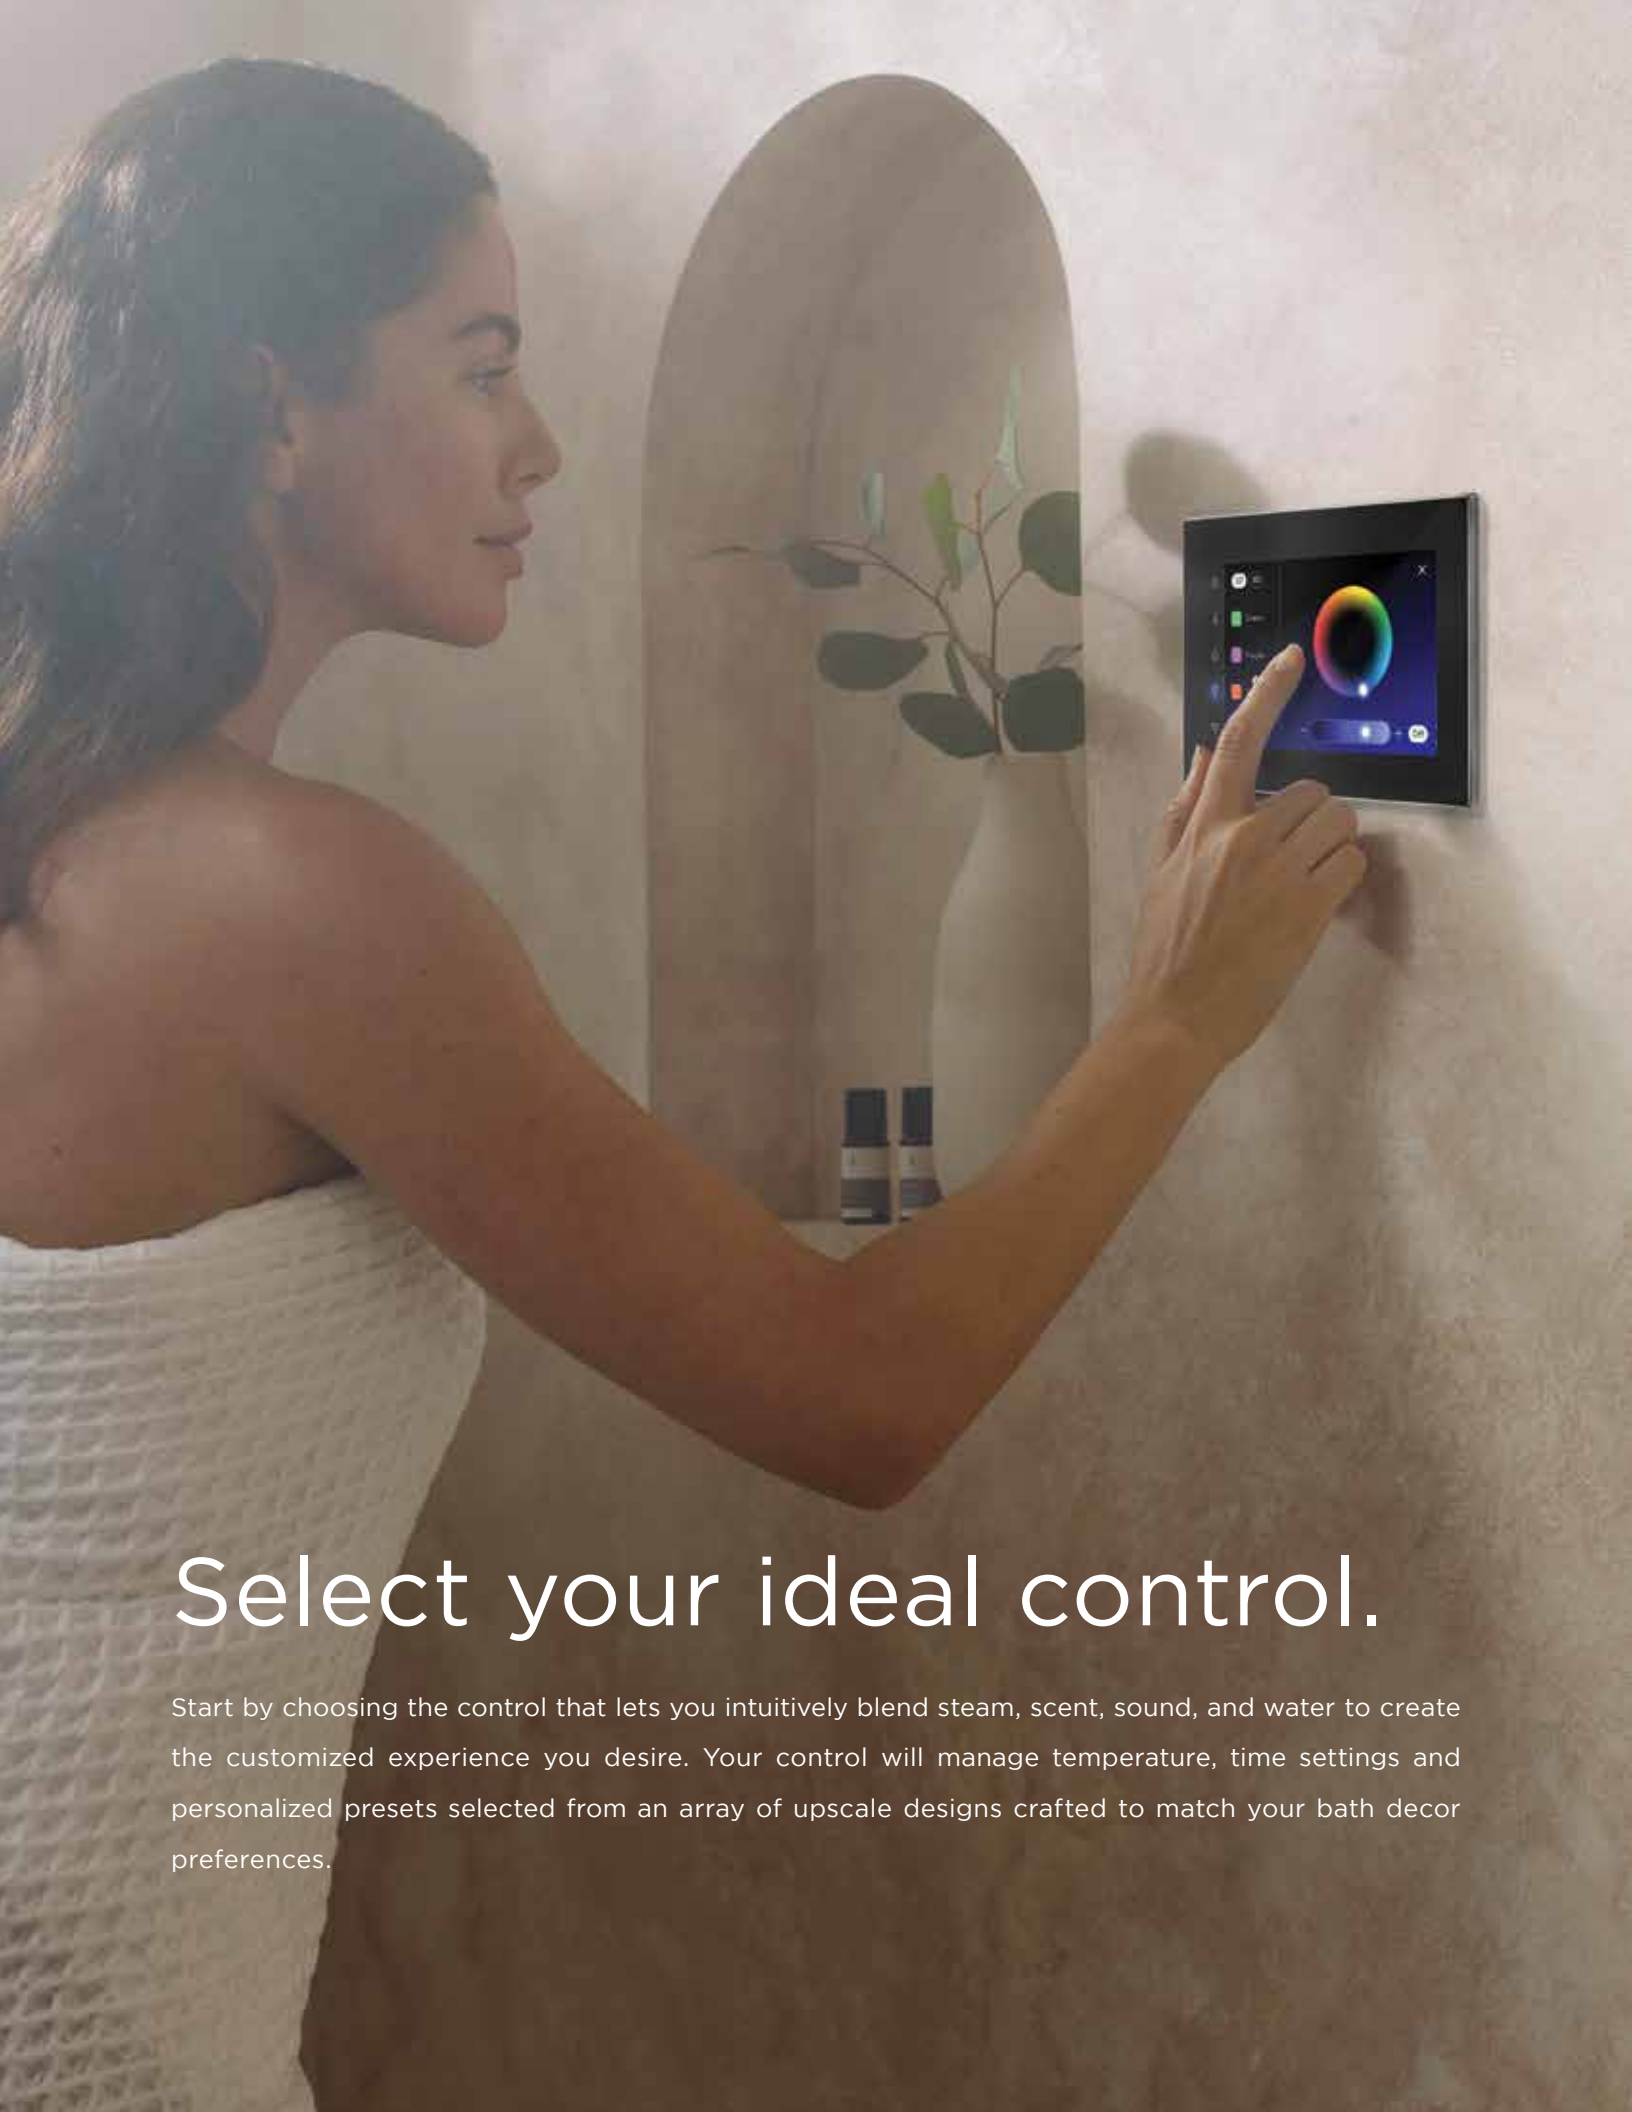

– 2401 after model number denotes a 240V/1PH generator.
– B1 after model number denotes a 208V/1PH generator.

– Dimensions are for generator only, without AutoFlush® or plumbing features.
– Wire size (AWG) based on minimum 90° rated THHN copper conductors. Refer to the National Electrical Code for other types of conductors.
– Water usage based on 20 minutes of operation.
– Shipping weight is for generator only, without control or SteamHead.
– Other voltage and phase combinations available upon request.

OPTIONAL GENERATOR FEATURE

Express Steam®

– Starts steam in a fraction of the time.
– Maintains temperature just under boiling point.
– Suitable for all MrSteam Residential steam generators.
– To order, add an "X" after the generator model number.

Select your ideal control.

Start by choosing the control that lets you intuitively blend steam, scent, sound, and water to create the customized experience you desire. Your control will manage temperature, time settings and personalized presets selected from an array of upscale designs crafted to match your bath decor preferences.

CURATE YOUR PERSONALIZED THERAPY RITUALS

As part of our steam shower legacy, we've created unique therapies that complement the vital properties of steam to **empower, purify and rejuvenate**. Create a customized symphony of **scent, light and sound** for the ultimate multisensory wellness experience. Our **AromaTherapies** infuse aromatic oils and botanical fragrances for a true **therapeutic oasis**. **ChromaTherapy** harnesses the power of science and color to create a space reflective of your mood. **MusicTherapy** is an auditory journey to a state of **complete relaxation**. Choose from a full range of therapies to personalize and elevate your steam shower into an unforgettable transformative sensory experience.

AROMATHERAPY

Aromatherapy was mankind's first remedy, a practice of caring for the body guided by one of our primary senses, scent. Adding AromaTherapy to any steam experience allows you to achieve a higher state of relaxation overall and enhances the unique properties of each botanical infusion, providing new pathways to activate the mind and care for the body.

AromaFlo System

Fragrance Metering Pump

– MS AROMA

$2,813 Dlls + IVA

PRODUCT DETAILS

By merging fragrance and steam into a beautiful mix, the AromaSteam system metering pump atomizes the fragrance and creates the perfect in-steam AromaTherapy experience. MrSteam's specially formulated fragrances use ingredients extracted from flowers and plants. Each aromatic fragrance offers a distinct aroma with characteristics that may support the body's specific needs.

– The collection of MrSteam essential aroma fragrances are available in replaceable, long-lasting 1-liter (33 oz.) bottles.
– Integral Frangrance Bottle Caddy.

*Aroma Fragrance not included. Order separately.

HISTORY OF AROMATHERAPY

The Eastern spiritual practice of aromatherapy has been recognized for centuries as having potentially profound wellness effects. Similar to the power of yoga and meditation, essential oils can help awaken and stimulate, or relax and promote better sleep. According to Indian beliefs, the seven basic chakras are the centers in our bodies through which energy flows. Because the chakras are closely connected to the endocrine system, using essential oils can help stimulate energy flow and restore balance.

CHROMATHERAPY

Like water and heat, light is a fundamental source of energy capable of altering physical and mental states. The many colors of light are transformative, from the calming tones of the sea and sky to the energizing vibrancy of natural flora. With our range of ChromaTherapy innovations, color and light transport you to a better state of being.

COMMERCIAL

LED BY LEGACY

Offering **robust functionality** and **unbeatable reliability**, **MrSteam CX commercial steam systems and CT Day Spa® steam baths** are engineered to master the rigors of commercial use and **consistently deliver excellence** for businesses looking to round out service offerings and add membership appeal. With a wide variety of proven benefits, steam baths provide the perfect immersive recovery environment for every guest and give your business a **distinguishing edge** with health-minded clientele. Known for centuries to revitalize the mind, body and spirit, steam encapsulates the essence of complete wellness in any club therapy setting and is sure to become a **memorable experience** fo your clients. With low maintenance and high performance, create an effortless escape for yo backed by 100 years of the MrSteam legacy.

STEAM ROOM

Experience next generation industry-leading steam systems.

FOR HOTELS, RESORTS, SPAS AND CLUBS

The pedigree and engineering behind our products is why we've earned the trust of many prestigious health facilities. MrSteam CX Series generators are engineered to respond automatically and reliably, maintaining preset temperatures within the steam room and providing consistent performance. Manufactured to exacting standards, steam bathers receive a peaceful escape, while owners and operators remain worry-free with MrSteam's unbeatable quality.

EXPERIENCE MRSTEAM IN THESE PRESTIGIOUS LOCATIONS

We encourage you to try us out. See the many major resorts, athletic franchises and popular health facilities that have harnessed the power of steam to enhance their guests' wellness experience. Easily locate one near you at MrSteam.com/Heavy-Duty-Commercial.

CanyonRanch. The Power of Possibility. | EQUINOX | Pebble Beach Resorts | The Ritz-Carlton | St. Regis | W Hotels Worldwide

CX NEXT GENERATION POWER

Now, big things come in an impeccably designed, thoughtfully engineered, compact and concise unit.

The CX GENERATOR is innovation in action. Like computing that once took up an entire room and can now be held in your hand, the CX is pure brawn in a small package; engineered for peak performance.

CX GENERATOR SYSTEM

INCLUDES:

- CX GENERATOR
- CX CONTROL
- FACTORY INSTALLED AUTOFLUSH
- COMMERCIAL GRADE STEAM HEAD
- DRIP PAN

QUIETER POWER

The CX Generator is an atmospheric generator that is quieter than a pressurized system. CX also has an internal temperature shut off to prevent low water condition, and an integral high water cut-off feature.

TOUCH-SCREEN CONTROL

The CX generator interface is programmed to preheat steam room at the start of each day. During operation the water in the system is kept at an elevated temperature for fast steaming time.

EASIER INSTALLATION

The compact size offers designers, builders, and contractors more flexibility with room design and straightforward installation, making large equipment rooms traditionally built to house auxiliary pressure and mechanical systems no longer a necessity.

CX GENERATOR PACKAGES

CX Generator Packages now include a CX Generator, CX Control, CX SteamHead, factory installed AutoFlush, Commercial Grade SteamHead, and Drip Pan.

THE CT DAY SPA® PACKAGE includes everything an owner/operator needs for optimum control and superior performance, while also providing guests with an enhanced therapeutic experience.

Premium performance for day spas and resorts.

DAY SPAS, MEDICAL SPAS, BOUTIQUE RESORTS AND CLUBS

Even small spaces can be transformed into steam rooms. Compactly designed for performance, longevity and durability, MrSteam CT steam generators combine safety and aesthetics with reliability.

CT STEAM GENERATORS

Designed for steam rooms operating for six hours or less each day that do not exceed 482 cubic feet and ideal for up to two guests at a time.

- Easily installed in most service closets, storage areas or similar dry, heated location.
- Ideal for smaller day spas or resorts that may not have the space or need for a larger, multiple-user steam room requiring CX equipment.

CT Day Spa® Package

The CT Day Spa steam system is ideal for light commercial venues such as day spas and resort spas. Featuring the iTempo control, the owner/operator can control the entire steam bathing experience, and along with the Acrylic Steam Shield and CT-Steam Stop, this package gives you everything you need to be operational once installed.

All CT generators come in 240V/1PH standard; other voltages/phases available.

1. Wire size (AWG) based on minimum 90˚C THHN insulation for copper conductors.

2. Water usage based on 20-minute steam bathing session.

All MrSteam CT units are cULus Listed and CE approved. Refer to Installation Manual for dimensions and installation instructions.

Occasionally, a steam room has unforeseeable or hidden construction that warrants special sizing or other consideration. MrSteam is not responsible if unconventional and/or unforeseeable materials or construction details result in a unit that does not operate to specification. Refer to the applicable MrSteam Installation, Operation & Maintenance Manual, available at MrSteam.com, and consult a properly licensed contractor, architect and/or design professional. Failure to do so may result in an inoperable or hazardous condition. See product packaging and labeling for additional important information.

Enhance every experience.

• Sauna Heaters and Controls are not sold separately from Sauna Rooms.

Welcome Home
Ancient Pleasure.

The Sauna has been a meeting place, a private retreat, a welcome respite from harsh elements, and the rigors of hard work and daily life.

The Sauna is an ancient practice, a space thoughtfully created for the ritual of relaxation, rejuvenation, and the restoration of vitality and vigor.

Dry, inviting heat elevates the body's core temperature, relaxes tired and strained muscles, reduces aches and pains, all the while purifying the body and mind.
