25

1925

Heinrich Blanc begins series production of hot water troughs. These are faster and more reliable than the competition, giving Blanc & Co. an unbeatable lead.

1951

Our visionary company founder finds that stainless steel is the ideal raw material for the kitchen. One year later, he launches the first stainless steel sink.

1962

Launch of the Sink Dish Washer – a sink with integrated dishwasher.

1981

BLANCO is the first company in the sector to market composite sinks worldwide, made of Silacron.

1985

Launch of the BLANCOMULTI BOX, the first waste solution directly connected to the sink.

1995

The second worldwide Silgranit manufacturing facility is established in North America.

2011

Introduction of the award-winning BLANCOCULINA semi-pro faucet.

2016

BLANCO launches the revolutionary IKON apron - the world's first single construction granite composite farmhouse sink.

2022

Color match UNITS with coordinating faucets, sinks and accessories are released in combination with BOTTON II, BLANCO's first cabinet organization solution.

2025

Launch of the INTEOS workstation family, with one-of-a-kind Stack & Store accessory organization system.

INTEOS 45 is the largest granite composite workstation available on the market.

THE BLANCO UNIT

PRACTICAL AND STUNNING. WE'VE GOT YOU COVERED.

What people require from the most important place in the kitchen – the water place – is as different as the individuals that use it.

Some want a space-saving solution that offers superb functionality. Others want to elevate their kitchen with luxurious style and premium accents. Some love high tech sensor faucets and meticulous cabinet organization.

A BLANCO UNIT is the answer to all of your customers' needs: a modular solution that turns the water place into a multifunctional unit.

Every component of a BLANCO UNIT bears the unmistakable signature of our design department. All elements are aesthetically stunning and functionally coordinated. This makes it possible to configure countless personalized BLANCO UNITS.

FORM AND FUNCTION IN PERFECT UNITY.

The carefully coordinated components of a **BLANCO UNIT** complement each other perfectly in terms of function and look, and enable smooth workflows at the water place.

THE WATER PLACE

is the most used area in the kitchen. Each BLANCO UNIT is designed to optimize this space.

SERVICE	PAGE	36

How can the kitchen sink be transformed into the perfect kitchen water place?

With **100 YEARS OF EXPERIENCE**, tireless love of innovation and an unparalleled commitment to quality. In short, with unique expertise in all areas.

WATER IS LIFE.
PERFECT WATER IS
QUALITY OF LIFE.

Our water filters and filter-ready faucets transform tap water into pure enjoyment – fresh from the tap, and available at any time.

FILTER-READY FAUCETS

Add cold, filtered water right at the kitchen sink with our range of filter-ready faucets. Consider our two-in-one CATRIS Flexo Filter designed with a separate filtered water spout and dial.

Prefer a separate beverage faucet? Both BLANCOCULINA II and ALTA II collections offer beverage faucet options that coordinate with the main kitchen faucet.

FILTRATION OPTIONS

Filtered water right where you need it most. BLANCO filters perfectly pair with our filter-ready faucets and sit below the sink and out of sight.

Delivering fresh, better tasting water while removing over 50 contaminants and unwanted particles, both filter options provide safe, clean water. The Soft L softens and filters, while the Microplastic S filters and removes microplastic particles.

FILTER-READY FAUCETS SEE PAGE

 → 157

WATER IN ALL ITS GLORY. OPTIONS FOR EVERY TASTE.

Water saving:

All BLANCO faucets are available with a 1.5 GPM flow rate, providing water-saving benefits while still delivering strong water performance.

Best in-class:

BLANCO faucets are made of solid brass construction, with pressure resistant ceramic cartridges that are smooth in operation.

Conveniently clean:

Many faucets include patented silicone nozzles – simply rub the sprayhead with your fingertip to prevent buildup from limescale deposits.

Easy to install:

All faucets are equipped with color-coded hot and cold supply lines. New BLANCOLock system is available on ALTA II and BLANCOCULINA II, providing greater faucet stability and quicker installation.

INNOVATIVE IDEAS.

1 TWO SENSORS - DOUBLE THE EASE:

With the BLANCOCULINA II and Mini Sensor faucets, experience a touchless faucet with dual-sensor technology.

HAND WASHING SENSOR

Wave goodbye to messy fingerprints on the faucet thanks to the infrared motion sensor. A simple wave turns the faucet on and off, and it automatically shuts off in 90 sec.

POT FILLING SENSOR

The intuitive controls extend to filling pots with a sensor underneath the semi-pro's arm. The sensor activates when it detects an object and water starts to flow. As soon as the pot or vase is removed from the sensor area, the valves close.

2 DIALED INTO DETAILS:

Designed with separate water spouts, the CATRIS Flexo Filter faucet ensures no cross-contamination between filtered and tap water. Use the left dial to access filtered drinking water.

Clear laminar stream
4
Aerated stream

3

4

DIFFERENT STREAMS

At BLANCO, we do the water stream differently. Which one is better? Both offer unique benefits in the kitchen.

Clear laminar stream

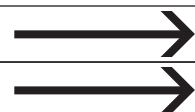

Crystal clear and quiet: this stream type has a natural look and gentle force while still providing ample water pressure. Enjoy less water splashes, and less wiping around your sink.

Aerated stream

Dynamic and efficient: the aerated stream infuses air bubbles into the water resulting in a frothy appearance and provides a powerful, yet soft rinsing action

FOR KITCHEN DREAMS IN STAINLESS STEEL, SILGRANIT AND CERAMIC.

WHAT SETS BLANCO MATERIALS APART:

- HIGH-QUALITY LOOK & FEEL:
outstanding materials
- EASY CARE:
water- and dirt repellent surfaces
- CAN WITHSTAND HEAVY DUTY KITCHEN
TASKS*:
long lasting beauty and durability
- HYGIENICALLY CLEAN:
all materials are food-safe
- PROVEN QUALITY:
top production standards and material
checks

* for normal household use

Give your customers their dream kitchen, in **STAINLESS STEEL, SILGRANIT** or **CERAMIC**. Our sinks may look and feel completely different, but they all offer the finest raw materials.

STAINLESS STEEL

PERFECTED BY US SINCE 1951: STAINLESS STEEL.

As a pioneer in the use of stainless steel, we have unique expertise in working with this robust, versatile material. Our stainless steel sinks are popular with kitchen planners for a reason. With their neutral color scheme, they boast a timeless, classic look and fit into many kitchen styles. They are also available with different bowl radii, depths and dimensions. They can withstand pressure and even provide some cushioning, protecting precious porcelain dishes. BLANCO stainless steel sinks are also available with different variations of finishes. What they all have in common is that we only use the highest-quality stainless steel, subject to higher standards than those required for conventional stainless steel.

BUILT TO LAST

BLANCO sinks are made from superior quality stainless steel with 18/10 chrome-nickel content. BLANCO stainless steel sinks will keep their brilliance and value for decades.

TOUGH STUFF

Our stainless steel is impervious to water stains and calcium deposits and is easy to maintain. It is non-porous, rust and stain-resistant. BLANCO stainless steel is also heat-resistant.

DIVERSE DESIGNS

BLANCO's stainless steel selection offers a wealth of design options and product features. Rounded or tight corners, different bowl depths, sink shapes and configurations – you can discover them all.

WHY BLANCO STAINLESS STEEL?

- Timeless look and neutral color scheme: works with any kitchen design
- Different finishes with distinctive visual and functional features: for every taste
- Non-porous surface: hygienic and easy to clean

SILGRANIT

Silgranit, the original BLANCO material, is loved all over the world for its design and nature inspired color palette. The distinctive character of a Silgranit sink adds effortless elegance to any kitchen.

SILGRANIT CINDER

Unmatched beauty

BLANCO Silgranit sinks are popular worldwide and for good reason: its smooth, stone feel, range of earthy hues and exclusive colors and sink designs make a striking statement.

Unsurpassed strength

The patented material is made of up to 80% quartz sand - the hardest component of granite. Advanced German engineering ensures a long-lasting sink that withstands the everyday wear and tear in residential kitchens.

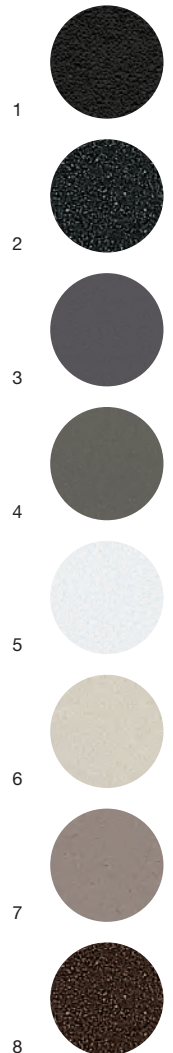

Easy to clean

Silgranit has a non-porous, smooth stone surface that repels water and liquids, making it easy to clean and maintain. This low-maintenance, long-lasting material will help transform kitchen chores into joyful experiences.

WHY BLANCO SILGRANIT?

- **WIDE RANGE OF COLORS:**
goes with many kitchen styles
- **COLOR COMBINATION OPTIONS:**
color-match with Silgranit-look faucets or create a striking contrast with metal faucet finishes.
- **SMOOTH STONE SURFACE:**
pleasing to the touch
- **VERSATILE DESIGNS AND SIZES:**
more freedom in planning
- **WITHSTANDS TOUGH KITCHEN TASKS:**
long-lasting beauty
- **PATENTED MATERIAL:**
non-porous and food-safe

CERAMIC

Made from clay heated at high temperatures, ceramic has a long tradition as a kitchen material. And a bright future in every kitchen.

WHITE

1

1
White

Timeless classic

BLANCO's fireclay sinks, made from natural materials, offer beautiful farmhouse sink options. Traditional aesthetics get updated in all the right ways with flexible corner styles and refreshed design enhancements.

Hand-finished

During the firing process, the surface is sealed at high temperatures so no food acids, odors or bacteria can penetrate. The result is a smooth, glossy surface that is easy to clean for a spotless finish.

WHY BLANCO CERAMIC?

- **NATURAL LOOK:**
for a rustic aesthetic
- **SMOOTH SURFACE:**
water beads off, reducing limescale and dirt
- **CLASSIC FARMHOUSE-APPEAL:**
for both modern and traditional kitchens

COLORS ARE METICULOUSLY PLANNED AT BLANCO.

PERFECT MATCH

COLOR UNITED

Bring the monochromatic look you love to the kitchen with a matching Silgranit sink, faucet and soap dispenser.

TRENDY PALETTE

Perfectly pair our range of nature-inspired hues together for a color cohesive BLANCO UNIT.

1
Color match in Silgranit Cinder

2
Color match in Silgranit Soft White

The color scheme for the water place is a key element of **CUSTOMIZATION**. With our system of colorful components and extensive color palettes, mix and match your favorite hues and create your own unique combination.

COLOR IN HARMONY

DEFINE YOUR STYLE

Whether your personal style leans traditional, contemporary or industrial, your faucet should reflect your taste. Select a Metal or Matte Black finish to complement your kitchen.

CUSTOMIZE WITH COLOR

Mix and match the faucet finish with a beautiful Silgranit hue for a harmonious BLANCO UNIT.

1
Silgranit Volcano Gray and Matte Black

2
Silgranit Soft White and Satin Gold

EVERYTHING FROM WATER TO WORKFLOW IN PERFECT BALANCE

The design and functionality of BLANCO UNITS are cleverly designed to optimize **WORKFLOWS** around the sink. This basic principle is implemented through a variety of ingenious accessories, making the water place a custom configuration.

PREP

Cutting boards and colanders allow home chefs to work directly in the sink.

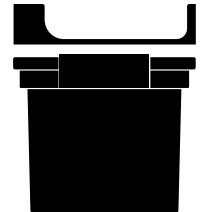

WASHING & CLEANING

Foldable grids and dish racks are our go-to for quick cleaning.

DISPOSAL & ORGANIZATION

Integrated bins store organic kitchen scraps and waste, making composting even easier.

WASHING YOUR HANDS

Built-in soap dispensers can be filled with diluted liquid soap – so hygiene is always at hand.

DRINKING

Sensors, filtered water and elongated handles aid in accessing the water you need no matter the task.

CARE

BLANCOCLEAN products make cleaning and maintaining the work area easy once kitchen prep is done.

TIDINESS IS HALF THE BATTLE IN THE KITCHEN.

With a variety of **MODULAR** organization and waste systems, turn the chaos into calm. There are endless benefits to a tidy countertop and staying organized below the sink.

EVERYTHING IN ONE PLACE. The cabinet under the sink is one of the most frequently opened cabinets in the kitchen. But it is commonly overlooked. With a **BLANCO UNIT**, the sink cabinet plays an important role. Our base cabinet organization products are modular in design and offer simple storage solutions to often complex sink cabinet problems.

Storage on-the-go.

Keep cleaning supplies and kitchen items organized and within reach with a Storage Caddy. Select a single or double caddy that extends out and can easily be transported to other rooms, making everyday clean-up a breeze.

The BOTTON II is another portable option with two bins, great for sorting recyclables and cleaning products. By remaining organized below the sink, the tidying routine is simplified in the kitchen and throughout the home.

Conquer the clutter

Hoping to free up countertop space and store larger items out of sight? The Universal Bag XL works wonders for storing everyday tools or dry recycling material. The portable bag can be removed and placed back on the sliding base tray for convenient access.

For those who love meal prep and workstation sink accessories, but don't know where to store them – INTEOS Organizer XL 40 is the answer. Designed for quick access of INTEOS workstation sink accessories, the built-in partitions hold everything in place when not in use.

IF YOU NEED US, WE'RE THERE FOR YOU.

We have always designed our products holistically from the perspective of the people who use them. From project planning through to after-sale care, our **SUPPORT SERVICES** provide customer satisfaction right from the start.

The right product solutions

We understand the unique challenges that come with installing new kitchens. That’s why our products cater to various cabinet sizes, including **custom built** cabinetry. In addition to a wide variety of undermount sink options, we offer **special sink solutions** with the ability to **flushmount** or **drop-in** your sink.

Kitchen planning support

We support the kitchen planning and sales process in a variety of ways, including:

- Detailed specification sheets for our portfolio of products. These can be downloaded directly from our website
- 3D data which can be used in commonly used kitchen design software
- DXF files for countertop fabricators, which can be downloaded directly from our website

- How-to videos, cleaning & care and new product information on our YouTube channels
- Marketing content to boost online product listings like imagery and videos plus operational and supply chain data like regulatory and packaging information. All readily available through our Dealer Portal.

BLANCO Brand Academy

Through a wide range of training courses, the Global Brand Academy aims to deepen your knowledge in the holistically planned kitchen water place. Our B2B training concept has a hybrid format and offers face-to-face and online training.

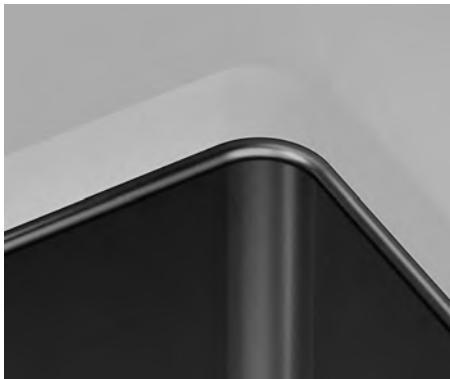

Technical Service

Our Technical Service team offers comprehensive support for all our kitchen water place products, from installation guidance to cleaning recommendations. Our specialists are

always ready to help troubleshoot problems, and answer questions about warranty or spare parts.

Customer Service

Our Customer Care team is your go-to resource for general product inquiries and pre-purchase project planning. Our team strives to always maintain customer satisfaction through extensive product knowledge and efficient order processing.

SINK AND FAUCET CARE

How to Clean SILGRANIT

Daily cleaning: to clean marks and everyday traces of use from your sink, all you need is a sponge, mild dish soap or baking soda and water:

- Moisten the sponge under running water
- Add a small amount of dish soap or baking soda onto the soft side of the sponge
- With the soft side of the sponge, wipe in small, circular movements
- Rinse your sink with clean water and dry it with a microfiber cloth

Weekly cleaning: Limescale is a common challenge for Silgranit sinks. Did you know that most stains and discoloration on a sink are a result of food particles trapped in limescale deposits on the surface? When you remove limescale, you also remove stubborn stains. We recommend removing limescale before starting any deep cleaning process. BLANCOCLEAN Daily+ for Silgranit or any mild acid-based cleaners (like lemon or vinegar) will remove limescale.

- Pour BLANCOCLEAN Daily+ on the sink area to be cleaned
- Leave for 1-2 minutes to take effect
- Wipe with a wet cloth or soft sponge
- Rinse the surface with water and dry with a microfiber cloth

Deep cleaning: once or twice a year we recommend to deep clean your sink with a mild liquid/gel laundry detergent:

- Close the sink drain
- Distribute the liquid/gel laundry detergent evenly onto the sink surface
- Fill the sink with hot water (heated up to 60°C / 140°F)
- Leave it to work at least 2 hours or ideally overnight
- Drain the solution and rinse the sink thoroughly with water
- Dry with a microfiber cloth

Want more tips on how to remove limescale, metal abrasions, and keep your white sink looking white? Visit our website at blanco.com/sgcare

SINK AND FAUCET CARE

How to Clean Stainless Steel

Daily cleaning: stainless steel surfaces are best cleaned immediately after use. This helps prevent limescale. The process is quite simple:

- Squeeze some dish soap onto the soft side of a sponge
- Wipe the stainless steel surface in the direction of brushed finish
- Rinse with clean water and dry with a microfiber cloth

Weekly cleaning: BLANCOCLEAN Daily+ for stainless steel is a gentle formula that provides extra care to reduce limescale and soap scum buildup. Regular use is recommended to extend the life of your BLANCO sink.

- Pour BLANCOCLEAN Daily+ directly onto the sink
- Let sit for 1-2 minutes to take effect
- Wearing a glove wipe with a wet cloth or soft sponge
- Rinse the surface thoroughly and dry with a microfiber cloth

Avoid these cleaning mistakes:

- Do not use aggressive cleaning agents, abrasive cleaners or bleach containing hypochlorite
- Do not use cleaning baths for silver
- Do not use prickly brushes or the scratchy side of sponges (especially pot scouring pads)
- Never use steel wool for cleaning

Aggressive cleaners and brushes can cause scratches and permanently damage the surface of your stainless steel sink. Learn more cleaning tips for stainless steel by visiting our website: blanco.com/sscare

How to Clean Faucets

Daily maintenance: When turning off your faucet with wet hands, you almost always leave drops of water on it. These dry and leave limescale behind. Visible limescale can form quickly, particularly in regions that have hard water. If you have hard water, you should dry the surface of your faucet with a microfiber cloth after each use. This will allow you to extend the intervals between regular cleanings.

Regular cleaning: If limescale has formed on your faucet, treat this with a mild, organic acid, e.g., lemon or vinegar. Important: before applying the substance, check whether your surfaces are resistant to acids. To remove limescale:

- Apply the cleaning agent to the soft side of a sponge and wipe the faucet down thoroughly
- Be sure not to leave acid-based cleaner on for longer than indicated on the package instructions
- Avoid lengthy, vigorous scrubbing with the rough side of a sponge, this can leave scratches
- Rinse the faucet with clean water and dry with a microfiber cloth

Have you ever used a dirt filter? Or cleaned an aerator? Visit our website to learn more: blanco.com/faucetcare

Tackle Limescale with BLANCOCLEAN

Limescale is a daily challenge for sinks. Did you know that most stains and discoloration on a sink are a result of food particles trapped in limescale deposits on the surface? When you remove limescale on a regular basis, you also remove the likelihood of stubborn stains in your sink. Tackle limescale deposits quickly and easily with the help of our BLANCOCLEAN Daily+ cleaners, available in formulations for both stainless steel and SILGRANIT.

TERMS AND CONDITIONS

Important: Our Terms & Conditions have changed

\$100 minimum order on all PO's except for parts

- All sales are Net 30 days
- Prices are subject to change with 30 day notice. All orders will be invoiced at the prices in effect at the time of receipt of order.
- Upon delivery, if there is visible damage to the carton, claims against breakage and/or shortages must be made at time of receipt against the carrier. Also, please notify BLANCO of any breakage or shortage within 48 hours.
- Concealed damage must be reported to BLANCO within 72 hours of receipt of merchandise to point of shipment.
- Any item found missing from a sink or faucet must be reported to BLANCO within 48 hours of receipt of merchandise.
- BLANCO AMERICA will not be held responsible for any cut out done without the use of and in accordance with the template or specification sheet.
- BLANCO AMERICA reserves all rights to accept an order.
- We value all our customers and aim to provide the same level of service to everyone. All rush orders where indicated will be processed and shipped in a timely manner.
- All rush orders must be indicated on the purchase order and in the body of the email.
- After placing your order, BLANCO will attempt to accommodate any additions or deletions to the order. However, once the order has been processed, staged, or placed in the delivery truck, no further changes can be made.

Freight Policy

Please refer to the 2025 BLANCO America Customer Freight Program

Image Policy

- BLANCO America provides images, corporate logos, ad materials, etc. only to BLANCO customers of record, that are in good credit standing, and follow MAP guidelines.
- Use of our images requires prior written authorization from BLANCO, due to copyright issues.
- If a customer of BLANCO is granted permission by us to use our images for their website, they may download the low resolution (web quality) images they need from our website.
- If a customer is granted permission for usage of images and other advertising materials, these materials must remain in the possession of the customer, and not any third party.
- BLANCO will be performing periodic web searches to monitor for unauthorized usage of our images.

RETURNED GOODS AUTHORIZATION

RGA Process For Uninstalled Products

- Please note that our policies, procedures, and contact information regarding ALL returns has changed.
- All returns regardless of product and/or part must be accompanied by a Return Goods Authorization Number (RGA) issued by BLANCO America.
- **BE ADVISED that our Returned Goods Authorization (RGA) system is for UNINSTALLED PRODUCTS ONLY** and now classified into two separate types with specific processes and requirements noted below. (1) Quality concerns and shipping damage and (2) All Other RGA's
- All items must be returned in their original carton and in saleable condition.
- Product must be listed in current price book.
- Product must not be altered (i.e. faucet hole drills).
- **IMPORTANT NOTE: All Return Authorizations will expire 30 days after issue.** Return Authorized products must be received within 30 days or credit will be denied. Credit will also be denied for return shipments that are not accompanied with a pre-approved Return Authorization.

Damaged or Defective RGA's

1. RGA requests for uninstalled damaged or defective products must be submitted through our online form within 90 days of purchase. Email cc.us@blanco.com with any questions regarding an RGA claim.
2. **RGA requests must include:** (A) reason for request, (B) the BLANCO Model Number, (C) Purchase Order Number, (D) clear photo of the area in question on your product, and (E) a full view of the entire product photo. SILGRANIT® RGA requests require an additional photo of the molding label which can be found on the bottom of the sink.
3. DAMAGED or DEFECTIVE RGAs must be approved only by BLANCO's Customer Care Department with requests submitted via our online form..
4. BLANCO will determine if the product must be returned. Disposition granted as "Authorization to Destroy on Site" via approved RGA will result in immediate credit. Disposition granted as "On Site Review" requires the product be returned back to BLANCO in order to proceed with evaluation of the request.
5. Once approved by BLANCO for physical return, you will receive a prepaid UPS shipment label. Apply this to the carefully packaged product. The Returns Authorization **MUST BE INCLUDED** with the return package.
6. Call UPS for a pickup at 1-800-PICK-UPS (1-800-742-5877) or drop off at a UPS shipping location.
7. **IMPORTANT NOTE: All Return Authorizations will expire 30 days after issue.** Return Authorized products must be received within 30 days or credit will be denied. Credit will also be denied for return shipments that are not accompanied with a pre-approved Return Authorization.

All Other RGA's

1. RGA requests for uninstalled NON-damaged sellable products must be submitted through our online form. Email cc.us@blanco.com with any questions regarding an RGA claim.
2. **RGA requests must include:** (A) reason for request, (B) the BLANCO® Model Number, (C) Purchase Order Number.
3. 25% restocking fee applies to returns. All returns must be made by freight prepaid by sender and the sender must assume all responsibility for shipping damages that may occur. If a product is received damaged, there will be no credit issued. BLANCO America Inc. reserves the right to limit and or refuse any returns.
4. **IMPORTANT NOTE: All Return Authorizations will expire 30 days after issue.** Return Authorized products must be received within 30 days or credit will be denied. Credit will also be denied for return shipments that are not accompanied with a pre-approved Return Authorization.

Warranty Exclusions and Other Terms

See the attached additional terms.

ADDITIONAL LEGAL TERMS

BLANCO shall not be liable in case of: (A) improper installation or modification, damages resulting from abuse, such as heavy impact or dropped objects, improper care or maintenance, improper applications (such as exposure to corrosive chemicals, photographic solutions, etc.), and any modifications made to the product after it left BLANCO premises; (B) wear and tear, including chips, scratches and stains that can occur under normal use; or (C) loss or damage to any person or property whatsoever resulting from a defective product.

All transportation costs to and from the point of purchase, labor, removal and reinstallation will be the responsibility of the purchaser.

For greater clarity, accessories that accompany the sink (strainers, waste fittings, waste chutes etc.) are under separate product-specific warranties.

TO THE EXTENT NOT PROHIBITED BY LAW, NO OTHER WARRANTY, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE SHALL BE DEEMED TO EXIST IN CONNECTION WITH ANY OF THE GOODS OR SERVICES SUPPLIED HEREUNDER, AND ALL IMPLIED WARRANTIES, INCLUDING ANY IMPLIED WARRANTIES FOR A PERIOD GREATER THAN THE WARRANTY PERIOD CONTAINED IN BLANCO'S LIMITED WARRANTY, ARE HEREBY EXCLUDED. BLANCO SHALL NOT BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES IN ANY WAY RELATED TO THE GOODS OR SERVICES SUPPLIED HEREUNDER. THE REMEDIES DESCRIBED IN THIS WARRANTY ARE YOUR SOLE AND EXCLUSIVE REMEDIES AND OUR ENTIRE LIABILITY FOR ANY BREACH OF THIS WARRANTY.

THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM JURISDICTION TO JURISDICTION. SOME PROVINCES, STATES OR OTHER JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF IMPLIED WARRANTIES OR OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATIONS OR EXCLUSIONS RELATING TO IMPLIED WARRANTIES, OR INCIDENTAL OR CONSEQUENTIAL DAMAGES MAY NOT APPLY TO YOU.

This warranty applies only to the products sold and installed in Canada and the U.S.A. Blanco Canada Inc. will be responsible for this warranty for products sold and installed in Canada and Blanco America, Inc. will be responsible for this warranty for products sold and installed in the U.S.A.

This warranty supersedes all previous warranties for any BLANCO sink, faucet, accessory, soap dispenser, and repair part in the U.S.A and Canada.

This is BLANCO's exclusive written warranty and the warranty is not transferable without the prior written consent of Blanco, in its sole and absolute discretion.
