THE GALLEY®
■ ■ ■ ■

The Original Kitchen Workstation

The Galley represents a whole new category of kitchen appliance. A complete culinary system where one can prepare, cook, serve, entertain, and clean all in one central and convenient place. The kitchen is even more functional and ergonomic with the Workstation near cooking. This evolutionary kitchen work line concept is much more efficient than the traditional work triangle layout. Simply put, The Galley System is *A Better Way*. Each Galley is thoughtfully designed, engineered and hand-crafted in the USA.

A Better Way.

Easy & Efficient

Create a deliciously fresh salad in no time! Easily rinse and strain your vegetables in the Colander. Simply chop your vegetables on the Cutting Board and rake the scraps into the Workstation basin below. Effortlessly slide out the Mixing Bowl next to and just below the Cutting Board. Scrape the finished salad ingredients into the Mixing Bowl, add your favorite salad dressing, and bon appétit!

Simplify the way you work in your kitchen

Ideal Workstation 6S with Designer White Resin Culinary Tools, Walnut Chef's Block, Polished Stainless Steel Taps

Ideal Workstation 7S with Graphite Wood Composite Culinary Tools, Natural Golden Bamboo Chef's Block and Knife Block, Matte Stainless Steel Taps

Convenient & Enjoyable

Enjoy a meal together at the Galley! Place a variety of Serving Boards in the Workstation to set out your favorite cheeses and hors d'oeuvres. Drop in the Serve Basin, fill it with ice and add the Upper Deck for glassware to create a multi-level beverage station. Utilize the Drying Rack and Utensil Caddy for plates, flatware and napkins. You're ready to serve and entertain. Cheers!

GALLEY TAP®

Vision of Water

The perfect pair

The Galley Tap is the first and only kitchen faucet thoughtfully designed, engineered, and manufactured to function perfectly with a specific line of kitchen sinks, or in our case, kitchen workstations. Simply put, it completes The Galley Workstation.

"Its striking beauty comes from its perfect geometry. That's the magic!"

David Kotowsky
