THOR IS BORN

At THOR Kitchen, we believe that greatness lies within each of us – waiting to be unleashed, waiting to ignite. That’s why we’re not just in the business of making appliances – we’re in the business of igniting culinary creativity. Imagine stepping into your kitchen and feeling a surge of inspiration, a spark of creativity. Our innovative appliances are more than just tools – they’re catalysts for self-expression, gateways to new possibilities, and vessels for your imagination. From our sleek range that turns cooking into an art form, to our versatile fridge that keeps your ingredients fresh and your dreams alive, every appliance is designed to empower you to be the best version of yourself. So go ahead, ignite your culinary creativity, and turn everyday meals into gourmet experiences with THOR Kitchen.

ELECTRIC + INDUCTION COOKTOPS

THOR Kitchen's Professional Electric Cooktops offer powerful, precise heat at the touch of a button to slowly simmer sauces or quickly boil large pots of water. Our Induction Cooktops technology combines the temperature responsiveness of a gas cooktop with the fast performance of an electric cooktop. Also, depending on your needs, induction is inherently more energy-efficient and features faster heat-up times. The sleek design complements any kitchen and perfectly balances style, convenience, and power.
